

## Quality and Environmental Policy

JVIS USA will conduct all aspects of its business in a responsible manner. This will be achieved in the following statements:

- Comply with all applicable laws, regulations, standards and other requirements.
- Adopt a culture of continual improvement to meet or exceed customer requirements and expectations with goals set to confirm achievement.
- Evaluate our activities and measure our performance against established goals through audits and management review.
- Advocate the adoption of prudent quality and environmental principles to our vendors, suppliers, and customers.
- Make all efforts, through pollution prevention efforts during research, process design, and plant operations to:
  - **reduce** and eliminate the generation of waste and emissions at the source.
  - **recycle** when practical and
  - **reuse** containers and products.
- Pledge ourselves to the prudent and sustainable use of the earth's resources and the protection of the natural environment while we strive to fulfill our corporate mission of contributing to enhance prosperity for all.
- Communicate our quality and environmental oriented activities to our employees, vendors, suppliers, customers, local community, environmental agencies, and general public as applicable.

Under observance of the aforementioned, customer satisfaction is the company's main priority: we want to be our customers' preferred supplier.

This Policy is summed up in our quality statement
